EDGE COATED

Prevents edge - rusting

COMPANY PROFILE

IHA is a start-up started with the aim of supplying mirror of international quality, traditional and modern design at affordable. The mirrors are made at the modern plant situated in Mysore. All our mirrors are made of Saint Gobain mirror (4mm & 5mm Thickness) of International standard. Majority of our mirrors come with special coating on the edges to prevent 'edge-rusting'.

We can also supply customized ART-GLASS, TEMPERED GLASS, Mirrors in a short notice

OUR PRODUCTS

FRAMED MIRROR (ARTUS SERIES)

We supply framed mirrors of traditional and modern style made of PVD coated metal (SS and Aluminum),UPVC and wood.

LED MIRROR (LUZ SERIES)

Our LED mirrors are hand-made using latest imported electric and electronic components. The Aluminum frame used is of superior quality and light in weight. The assembly is done using user-friendly connectors avoiding soldering so that a lay-man can replace the parts easily. We also supply various designs and sizes according to the customer choice in a short notice.

High-lights of the components

- A. Touch-Dim switch (imported)
- B. Driver (Imported), 5/3A,60W
- C. 240 LED/meter with CE Certification
- D. Single and Double colours of customer's choice

ART MIRRORS (DESIRE SERIES)

We have a wide range of FANCY mirrors manufactured using various traditional and modern glass processing techniques such as

- A. Sand-blasting (front and back and Double-sided),
- B. Coat-removing and stickering
- C. Acid-Etching and Deep etching for 3D effect,
- D. Traditional etching
- E. Crystal designs
- F. Sand-blasting and Painting

Our Fancy Mirrors are manufactured in various traditional and modern designs by skilled craftsman using imported special 'glass-paints'. The painting lasts long without fading for years even in very humid atmosphere.

Besides that we supply:

- A. Traditional Beveled Mirrors in various basic-shapes and sizes
- B. Edged Mirrors in various sizes and basic designs

All these come with affordable and competitive price-tag
